

Charity Fundraiser Events

Giving Back..... At the Wine Lab we want to give back to our community and friends. We offer to charitable organizations, foundations, and schools the opportunity to use the Wine Lab to raise funds for your cause. Because of the numerous requests for contributions and donations that we receive, we have created an enjoyable and turnkey program for your organization.

How it Works? *Wine Tasting and Cheese Pairings for a Cause!*
With over 400 carefully selected domestic and international wines as well as our artisan cheese selection, we will put together a wine tasting and cheese pairing for your organization. Our guest limit is 35 persons for a period of two hours.
For \$35 per person, we will offer five selected wines paired with three cheeses. Your organization receives \$17.50 from each person that participates. You could raise \$612.50 in just two hours! In addition, Wine Lab will donate 10% of all bottle sales to your organization as well as validate parking for your guests.
Available: Tuesday, Wednesday and Thursday evenings.
Minimum: 20 guests. Maximum: 35 guests.
The organization is responsible for invitations and tickets sales for its event. A minimum of 20 guests are required to use the Wine Lab for your event.
